

the Order, specify the applicable statute, treaty or international agreement; and

(ii) A date or event for declassification.

(c) *External review.* Agencies shall submit declassification guides for review to the Director of ISOO. To the extent such guides are used in conjunction with the automatic declassification provisions in section 3.4 of the Order, the Director shall submit them for approval by the Interagency Security Classification Appeals Panel.

(d) *Internal review and update.* Agency declassification guides shall be reviewed and updated as circumstances require, but at least once every five years. Each agency shall maintain a list of its declassification guides in use.

§ 2001.54 Mandatory review for declassification [3.6, 3.7].

(a) *U.S. originated information*—(1) *Receipt of requests.* Each agency shall publish in the FEDERAL REGISTER the identity of the person(s) or office(s) to which mandatory declassification review requests should be addressed.

(2) *Processing.* (i) Requests for classified records in the custody of the originating agency. A valid mandatory declassification review request need not identify the requested information by date or title of the responsive records, but must be of sufficient specificity to allow agency personnel to locate the records containing the information sought with a reasonable amount of effort. In responding to mandatory declassification review requests, agencies shall either make a prompt declassification determination and notify the requester accordingly, or inform the requester of the additional time needed to process the request. Agencies shall ordinarily make a final determination within 180 days from the date of receipt. When information cannot be declassified in its entirety, agencies will make reasonable efforts to release, consistent with other applicable law, those declassified portions of the requested information that constitute a coherent segment. Upon denial of an initial request, the agency shall also notify the requester of the right of an administrative appeal, which must be

filed within 60 days of receipt of the denial.

(ii) Requests for classified records in the custody of an agency other than the originating agency. When an agency receives a mandatory declassification review request for records in its possession that were originated by another agency, it shall refer the request and the pertinent records to the originating agency. However, if the originating agency has previously agreed that the custodial agency may review its records, the custodial agency shall review the requested records in accordance with declassification guides or guidelines provided by the originating agency. Upon receipt of a request from the referring agency, the originating agency shall process the request in accordance with this section. The originating agency shall communicate its declassification determination to the referring agency.

(iii) Appeals of denials of mandatory declassification review requests. The agency appellate authority shall normally make a determination within 60 working days following the receipt of an appeal. If additional time is required to make a determination, the agency appellate authority shall notify the requester of the additional time needed and provide the requester with the reason for the extension. The agency appellate authority shall notify the requester in writing of the final determination and of the reasons for any denial.

(iv) Appeals to the Interagency Security Classification Appeals Panel. In accordance with section 5.4 of the Order, the Interagency Security Classification Appeals Panel shall publish in the FEDERAL REGISTER no later than February 12, 1996, the rules and procedures for bringing mandatory declassification appeals before it.

(b) *Foreign government information.* Except as provided in this paragraph, agency heads shall process mandatory declassification review requests for classified records containing foreign government information in accordance with this section. The declassifying agency is the agency that initially received or classified the information. When foreign government information is being considered for declassification,

the declassifying agency shall determine whether the information is subject to a treaty or international agreement that would prevent its declassification at that time. The declassifying agency shall also determine if another exemption under section 1.6(d) of the Order (other than section 1.6(b)(5)), such as the exemption that pertains to United States foreign relations, may apply to the information. If the declassifying agency believes such an exemption may apply, it should consult with any other concerned agencies in making its declassification determination. The declassifying agency or the Department of State, as appropriate, should consult with the foreign government prior to declassification.

(c) *Cryptologic and intelligence information.* Mandatory declassification review requests for cryptologic information and information concerning intelligence activities (including special activities) or intelligence sources or methods shall be processed solely in accordance with special procedures issued by the Secretary of Defense and the Director of Central Intelligence, respectively.

(d) *Fees.* In responding to mandatory declassification review requests for classified records, agency heads may charge fees in accordance with section 9701 of title 31, United States Code. The schedules of fees published in the FEDERAL REGISTER by agencies in implementation of Executive Order 12356 shall remain in effect until revised.

(e) *Assistance to the Department of State.* Heads of agencies should assist the Department of State in its preparation of the *Foreign Relations of the United States* (FRUS) series by facilitating access to appropriate classified materials in their custody and by expediting declassification review of documents proposed for inclusion in the FRUS.

(f) *Requests filed under mandatory declassification review and the Freedom of Information Act.* When a requester submits a request both under mandatory review and the Freedom of Information Act (FOIA), the agency shall require the requester to elect one process or the other. If the requester fails to elect one or the other, the request will be treated as a FOIA request unless the

requested materials are subject only to mandatory review.

(g) *FOIA and Privacy Act requests.* Agency heads shall process requests for declassification that are submitted under the provisions of the FOIA, as amended, or the Privacy Act of 1974, in accordance with the provisions of those Acts.

(h) *Redaction standard.* Agencies shall redact documents that are the subject of an access demand unless the overall meaning or informational value of the document is clearly distorted by redaction.

Subpart F—Reporting

§ 2001.60 Statistical reporting [5.3].

Each agency that creates or handles classified information shall report annually to the Director of ISOO statistics related to its security classification program. The Director shall solicit recommendations from the member agencies of the Security Policy Forum regarding the reporting requirements. The Director will instruct agencies what data elements are required, and how and when they are to be reported.

§ 2001.61 Accounting for costs [5.6(c)(8)].

(a) Information on the costs associated with the implementation of the Order will be collected from the agencies by the Office of Management and Budget (OMB). OMB will provide data to ISOO on the cost estimates for classification-related activities. ISOO will include these cost estimates in its annual report to the President. The agency senior official should work closely with the agency comptroller to ensure that the best estimates are collected.

(b) The Secretary of Defense, acting as the executive agent for the National Industrial Security Program under Executive Order 12829, and consistent with agreements entered into under section 202 of E.O. 12829, will collect cost estimates for classification-related activities of contractors, licensees, certificate holders, and grantees, and report them to ISOO annually. ISOO will include these cost estimates in its annual report to the President.
